AgencyPort Insurance Services Named by *Inc.* Magazine as one of America's Fastest Growing Private Companies

1,012% growth over three years lands AgencyPort on the 2007 Inc. 500 list

Boston, MA, August 27, 2007 – AgencyPort Insurance Services, Inc., announced today that it has been named to *Inc.* magazine's list of America's fastest-growing privately held companies. In *Inc.*'s recently released 26th annual Inc. 500, AgencyPort's three-year growth rate of 1,012% earned the company the No. 223 spot.

"If you want to find out which companies are going to change the world, look at the Inc. 500," said Inc. Editor Jane Berentson. "These are the most innovative, dynamic, fast-growth companies in the nation, the ones coming up with solutions to some of our most intractable ills, creating systems that let us conduct business faster and easier, and manufacturing products we soon discover we can't live without. The Inc. 500 list is *Inc.* magazine's tribute to American business ingenuity and ambition."

AgencyPort is the leading provider of web-based solutions and services for property and casualty insurers. AgencyPort's products enhance the underwriting process, extend the life of carriers' existing policy administrations systems, and make it simple for agents and carriers to transact business. "It's an honor to be included on the Inc. 500," stated Gary Brach, CEO of AgencyPort. "Making the list validates our hard work and commitment to building a successful business and delivering world-class technology to the insurance industry."

The 2007 Inc. 500 list measures revenue growth from 2003 through 2006.
