AgencyPort Insurance Services Relocates Operations
Additional Space Required to Support Corporate Growth and Expansion

BOSTON, MA – September 1, 2005 – AgencyPort Insurance Services, Inc. is pleased to announce their relocation to 211 Congress Street, Boston, MA as of September 6, 2005. The move comes as a result of the company’s significant revenue and customer growth during the past two years.

“We’re growing.” says Gary Brach, CEO. “Recent customer acquisitions and continued product development have required us to add to our staff and subsequently create a more efficient work environment.”

AgencyPort will occupy the 11th floor of the building that overlooks Post Office Square in Boston’s financial district. No interruption of business will occur during the move.

###

AgencyPort Insurance Services, Inc. provides software and services that enable property and casualty insurance companies to rapidly deploy agency portals and move data to/from agency management systems, significantly improving carrier and agent productivity. The company was founded in 2000 and is headquartered in Boston, MA.
