**Patrick Kimble Joins AgencyPort Insurance Services**  
*Sales Team Strengthened by Industry Sales Professional*

**BOSTON, MA – April 21, 2006** – AgencyPort Insurance Services, a leading provider of agency portal and interface software, is pleased to announce that Patrick Kimble has joined the company as Business Development Manager. He will be based in Cincinnati, Ohio. Mr. Kimble’s appointment supports AgencyPort’s continued growth and the increasing demand for its AgencyPortal and AgencyConnect<sup>TM</sup> products in the marketplace.

“Patrick’s background and industry experience make him an excellent addition to our organization,” commented Steven Hauck, President of AgencyPort. “We are excited to have him as part of our team.”

Prior to joining AgencyPort, Mr. Kimble worked for VisionShare Inc. as Regional Sales Manager selling security software to the healthcare and financial services industry. Patrick also spent over five years with IVANS as a Sr. Client Executive within their E-Commerce Division, working with companies to provide interface capabilities to their agency force. Mr. Kimble also worked with IVANS Healthcare Networking unit and sold remote access solutions to healthcare providers and property and casualty carriers. Prior to joining IVANS in July of 1999, Patrick worked for Safeco Insurance Companies for over six years, primarily in the property and casualty marketing department working with independent agents.

Patrick received his Bachelor of Arts from Marshall University and has held Life and Health, Series 6 and Series 63 securities licenses.

###

*AgencyPort ([www.agencyport.com](http://www.agencyport.com)) is the leading provider of web-based solutions designed specifically for property and casualty insurers. Our agency portal and interface products make it easy for agents to transact business, enhance the underwriting process and extend the life of carrier's existing policy administration systems. The result is a significant increase in process efficiency for both carriers and agents. The company was founded in 2000 and is headquartered in Boston, MA.*
